SECTION III
INTRODUCTION AND PROCESS

1. Summary:

1.1 Objective. The University of Maryland University College (UMUC or the University) is soliciting proposals for recruitment process outsourcing services. The selected contractor will work with the Office of Human Resources to achieve the University’s talent acquisition goals. Only proposers with no fewer than five (5) years of experience in recruitment process outsourcing and experience managing at least one client with stateside and overseas workforce of no fewer than 3,000 employees (global scale/reach) will be considered.

Only one contract will result from this solicitation.

UMUC is committed to a quality-based selection process for the procurement of recruitment process outsourcing services.

Minority participation is important to UMUC and the State of Maryland. A MBE subcontracting goal of no less than three and one-half percent (3.5)% of the total overall contract(s) value is established for this solicitation. This subcontracting goal will become part of the contract. If an MBE prime is awarded the contract, this MBE subcontracting goal will still apply. Firms that are shortlisted and that are invited to submit a Technical Proposal will be required to provide the MBE forms as part of the submission. Proposers MUST complete and include these forms in their Technical Proposal (refer to Solicitation Schedule for anticipated due date). Per Maryland law, if MBE forms are NOT provided, the Procurement Officer shall deem the proposal not susceptible of the award. This is non-curable.

The selection process, as detailed in Sections IV and V of this Solicitation will be done in four (4) phases, as follows:

Phase 1: Portfolio Submission
   ● Establish Shortlist from Phase 1 Submittal

Phase 2: Issue Scope of Work (SOW) to Shortlisted Proposers and Request References
   ● Establish Second Shortlist from Phase 2 – Technical Proposals

Phase 3: Anticipated Oral Presentation/Interviews
(Second Shortlisted Proposers, if required and invited by UMUC.)
   ● Conduct Oral Presentations/Interviews
   ● Establish Final Shortlist from Phase 3
   ● Request Price Proposals

Phase 4: Notify Awardee
   ● Contractor Selection finalized
   ● Negotiate and Execute Contract

Note: As the procurement progresses, UMUC reserves the right to revise the
anticipated phases. As well, as the procurement progresses, UMUC will provide to
the Shortlisted Proposers at each phase and at the appropriate time, additional
information regarding the required services.

1.2 Background. Founded in 1947, University of Maryland University College
(UMUC) is one of 12 degree-granting institutions in the University System of Maryland
(USM). Headquartered in Adelphi, Maryland, UMUC is a global university, serving more
than 80,000 students worldwide, including substantial active-duty military service
members, reservists, veterans, and their family members. It is one of the largest public
universities in the nation and among the largest educational providers to the U.S. military.
UMUC has been growing consistently for the past several years, and it is the intent of the
University to accelerate profitable growth while maintaining high quality. The significant
gap in higher education attainment can be partially addressed by UMUC services, and it is
our mission to boldly do so.

Since its founding, UMUC has focused on the unique educational and professional
development needs of adult students—students who must balance the demands of full-time
jobs, military service, family, and community responsibilities. The University strives to
offer students maximum convenience and flexibility in pursuing their education. Currently,
UMUC offers an array of career-relevant programs fully online, on-site, and in a hybrid
format, that combines online and on-site study. On-site classes and services are offered in
more than 20 locations across Maryland, Virginia, and Washington, D.C. as well as in 20
countries and territories around the world. Please visit www.umuc.edu for more
information about UMUC.

Effective July 1, 2019, UMUC will be renamed University of Maryland Global
Campus. Any resulting contract and other documents after that date will reflect the
name change.
